

David's News

Dear Worshipper,
It's good to touch base with you again! We have stories from Norway/Sweden, Australia, USA and Spain in this edition! I have spent a good chunk of this month finishing "Wielding Banners for Worship and Warfare" my book and a three-DVD training set. Now I know why so few of us publish! I am VERY excited about how they have come together- I'll announce their release to you first!! I'm looking forward to catching up many USA Worshipping Warriors in the next six weeks! [David](#).

Our Wedding in Sweden

My first two flags I got from Kristina (now my wife), the first time we met in May 2003. I had up till then always improvised when I danced and couldn't really figure out how I could integrate flags into my dance. A couple of months later we both

attended the ICDF conference in Dallas, Texas where David (Stanfield) conducted a workshop on flags and banners. David's inspiring and practical teaching helped me get started, and I have enjoyed dancing with flags ever since and have bought many flags from "down under". (John, Norway) [Read the full story](#)

Toni's Story

I can't begin to tell you the incredible impact that the banners had on our weekend, at Camp Kindilan in Redland Bay/Cleveland area, it was awesome!!! We had a ceremony, at a small altar down beside the lake, with the wooden cross in front. (Very beautiful and serene). Several of the ladies felt free to use the banners in our worship times during the weekend and we had a wonderful time seeing many of them set free. The banners brought a wonderful colour and joy to the weekend. (Toni, Brisbane, Aust) [Read the full story](#)

"Faithful Chosen" of Santiago

This banner was commissioned by the youth band "Fieles Escogidos" (Faithful Chosen) of Santiago, Spain. The lettering mirrors their latest CD cover and the rock textured background and yellow arrow reflect "The Way of St James". The 3rd largest Christian pilgrimage route in the world was signed for centuries by yellow paint brushed onto rocks along the pilgrimage route to show the way pilgrims were meant to walk. This arrow is pointing upwards to "The Way" - just as the lyrics of their songs and their lives point to Jesus. The banner was created to be taken on an evangelistic 7 day pilgrimage as 30 passionate Spanish youth walked and shared with thousands of pilgrims from all over the world on the way to the "Celebration of Praise" in Santiago de Compostela. Awesome Youth Worship

Howdy! Just to give you an update on the Ashville Outreach. It was sensational! We had a great turn out with lots of opportunities to fly the Banners and to allow others to join in the Worship experience. It was AWESOME! What I noticed most with the Banners was the

YOUTH. The younger generation hungered to express themselves opening and unashamedly before the Lord. Salvation was released and some came to know Jesus as their personal Lord and Saviour. It was a great time for our City and the various "churches" coming together to see our city changed for the Glory of God. (Becky NC USA) [Read the full story](#)
